PROFESSIONAL PROFILE

Digital Marketing Specialist with over five years' experience driving e-commerce growth and brand equity through integrated multi-channel campaigns. Klaviyo Master Certified with deep expertise in email marketing, CRM, lifecycle automation, segmentation, and deliverability. Proven track record managing full campaign lifecycles — from strategy and execution through to A/B testing and optimisation — using analytics and CRO to improve engagement, conversion, and retention across Shopify ecosystems. Collaborative, data-driven, and experienced in deploying AI-enhanced workflows to deliver commercial results.

WORK EXPERIENCE

Marketing & Content Placement | Mackenzie & George

May 2026–July 2026

- Produced 137+ content assets (posts, Stories, Reels) across an equestrian and country-show event calendar and product launches, lifting posting frequency by 52% and driving engagement up 130–420% across channels.
- Grew Facebook performance across the board: page visits up 421% (460→2,398), content interactions up 304% (107→432), and reach up 151% (8.7K→21.9K viewers); scaled Instagram views 134% (42.5K→99.6K).
- Planned, filmed and edited an on-site Reel at the Royal Highland Show, one of the UK's largest agricultural shows, turning live brand presence into high-performing shareable content.
- Delivered a full SEO audit spanning 110 products, approved and moved into active implementation.
- Created AI-generated lifestyle product imagery to scale content output without additional photoshoot costs.
- Authored a Stall Conversion & Customer Data Collection strategy to improve in-person-to-digital conversion at trade shows.

Email Marketing Coordinator | Gosh Digital

Aug 2021 – Present

- Onboarded 20+ clients, implementing automation and campaign enhancements that delivered 20–40% uplift in engagement and 200–300% increase in conversion rates.
- Delivered integrated digital campaigns across email/CRM, sales funnels, and web — aligning messaging, offers, and customer journeys to improve lead quality, retention, and ROI.
- Owned Klaviyo lifecycle marketing, building high-performing flows (welcome, browse/cart abandonment, post-purchase), segmentation strategies, and A/B testing programmes to optimise deliverability and engagement.
- Built and maintained GoHighLevel funnels and websites, including lead capture pages, product campaigns, and automated follow-up sequences to improve conversion efficiency.
- Monitored and analysed campaign performance across journeys, translating data insights into iterative CRO and revenue improvements.
- Managed projects end-to-end, partnering with creative teams to produce high-converting assets and presenting regular performance reports to stakeholders.

Email Marketing Associate | Gosh Digital

Feb 2021 – Aug 2021

- Earned Certified Klaviyo Master status, deepening expertise in lifecycle automations, flows, segmentation, and campaign execution.
- Executed 1,000+ email campaigns across 8–10 clients, maintaining high deliverability through rigorous QA; contributed to a reported 300% uplift in conversions through testing-led improvements.
- Supported broader e-commerce delivery by building and optimising Shopify stores and working across funnel platforms to enhance customer journeys and conversion paths.
